## CREDIT UNION MEMBERSHIP

Being a member of a credit union means you own a share of your financial institution. Since our establishment in 1951, Public Service Credit Union has built a long-standing reputation as a strong, financially sound Credit Union. With the trust and confidence we have built with our membership, there is no better financial institution to trust with your own business.

### Business Checking Accounts

Our business checking accounts are designed to help manage your finances and support your business needs. With around the clock access to your funds, PSCU provides benefits such as:

- No monthly service fees with a minimum balance requirement starting as low as \$250
- Overdraft protection
- Free box of basic checks at account opening
- Free debit card
- Free mobile and online banking
- Free e-statements
- Free Bill Pay (with a minimum of one bill paid per month)

## COMMERCIAL SAVINGS

### Business Savings

Establish your PSCU membership today with a savings account and deposit of \$50 or more. This account provides free online banking, mobile banking and ATM access, as well as dividends on balances of \$100 or more.

### Business Money Market

Earn more with a Business Money Market account. With dividends on balances of \$100 or more, competitive rates and easy access to your funds, PSCU is here to help your business grow.

### Certificate of Deposit

With a deposit of \$500 or more and terms starting at 3 months, you can maximize your business earnings with a guaranteed rate of return. Open a Certificate of Deposit with PSCU and start earning more today. These accounts offer higher dividends, tiered rates and long-term security.

### Club Accounts

PSCU offers club accounts as an additional way to set aside funds for a specific purpose such as employee bonuses and Christmas parties.

## COMMERCIAL LENDING

### Business Lending

With a variety of lending solutions, PSCU offers loan products that can provide your company with ways to grow your business. If you are looking to increase inventory, replenish working capital or expand your space, rest assured that PSCU is here for your financial needs. We offer lending solutions such as:

- Commercial mortgages
- Lines of credit
- Equipment loans
- Commercial vehicle loans

### Credit Cards

When it comes to managing your finances, PSCU is all about choices. We offer credit cards tailored to your business size and purpose. Choose between cash back, travel rewards, merchandise rewards, or gift card rewards.

## COMMERCIAL SERVICES

### Remote Deposit Capture

Remote Deposit Capture gives our members the ability to deposit checks right from their office. Discover the following features and benefits:

- Save time and reduce costs
- Checks can be deposited 24/7
- Next business day credit

### Merchant Processing Services

Elevate your business and increase sales revenue with our Merchant Processing Services. With live support 24/7/365, no early termination fees and a FREE no obligation assessment, PSCU can get you started today. Our merchant services provide:

- Mobile, web, tablet and terminal options
- Website builds
- Customizable billing & invoice
- Online scheduling
- Electronic check services
- Customizable gift cards and loyalty programs
